Re: CD Replication into Plastic Sleeve

Dear Sridhar ,

Thank you for your enquiry and the opportunity to quote on your project.

When you choose to give us your business, you are choosing to do business with a company committed to ensuring you achieve the best quality and value possible for your investment.

We are an Australian company, with enthusiastic staff who are specialists in the world of digital media, whether it be knowledge of detailed technical specifications or creative packaging ideas. Please feel free to discuss with us your project needs at any time.

Detailed below is our understanding of your current requirements together with our quote for your project.

Item Description	Qty	\$/Unit	Sub-Total
▶ CD Replication into Plastic Sleeve	1000	\$0.650	\$650.00
1x Technical Testing for CD Master			
1x Glass Mastering of CD			
1000x CD Replication inc Full Colour Offset Print			
1000x Plastic Sleeve with Flap			
1000x Assembly CD into Plastic Sleeve			

Please add GST to above prices.

If you have any queries, please don't hesitate to call me on (02) 9699 9933 or email me directly at [steve@mediamovers.com.au](mailto:steve@mediamovers.com.au)

Regards

Steve Salakas

**Terms and Conditions of Trade:**

Media Movers reserves the rights to pass on extra costs not sighted prior to submission of this proposal.  
Quantities delivered may vary up to 1% due to manufacturing processes for print and disc manufacturing.  
Delivery charges depend on destination, as well as weight and size of order.  
Unless credit has been arranged prior with our admin team, payment terms are 50% with order and balance on despatch.  
You are deemed to have read and accepted these terms before placing an order. Commercial in Confidence.
